Keola Lindsey
Candidate for Hawai'i Island seat, Office of Hawaiian Affairs

Aloha e Keola,

Each election year, the Japanese Chamber of Commerce & Industry of Hawaii (JCCI), through its Government Affairs Committee and Board of Directors, reviews the candidates running for various races who will appear on the Hawai'i County ballot.

Our members are then asked to evaluate the candidates and their campaign platforms and select those who they feel best represent their interests and will do the best job for our county and state. We are happy to inform you that in the Hawai'i Island OHA race at the General Election, we will be endorsing your candidacy.

We appreciate your commitment to serve in this important office and wish you success in the August election.

Ross Birch, President
Japanese Chamber of Commerce & Industry of Hawaii
